

THE SPACE TRAVELER'S HITCHHIKER GUIDE

IEEE Buenaventura Section Celebration Dinner
An evening when technical expertise and gentle
humor will cross paths

Nov 5, 6:00pm to 9:00 pm

The First Neighborhood Community Center
31830 Village Center Road
Westlake Village, CA 91361

We invite industry members to join us
during the opening networking session.
We have free "exhibit" space if you would
like to bring brochures, product demos or
poster.

Our ultimate objective is to start a
cross-university student branch in
Ventura County that optimally will
be headquartered in CSU Channel
Islands. CUCSI is launching a 4 year
engineering program in Spring of
2016.

MEET AN AMAZING PANEL OF PLANETARY SCIENTISTS FROM NASA - JPL

They will share their thoughts
about what they would tell or write
to someone with the ambition
to visit the largest planets of our galaxy.
