

Calling All Tech professionals & College Students: Become a Hackathon Mentor!

Make Tomorrow Better • June 21 - 22, 2019

What is Hackathon by the Sea-Girls Edition?

- A positive environment for girls to use technology which will seed a lifelong interest in the field.
- Teams of Middle and High School girls "hack" together to create awesome award-winning projects.
- Teams will have the opportunity to learn to use technology to MAKE TOMORROW BETTER.
- The event is open to the first eighty (80) 7th-12th grade girls who register. All experience levels are welcome.

Do mentors need to attend both days?

Absolutely not! We only ask that you volunteer for a minimum of 3-hour shift during the event, but if you'd like to volunteer for the whole event, that's ok too.

When:

Begins June 21
6 p.m. - 9 p.m.

Resumes June 22
9 a.m. - 5 p.m.

Duration:

This is a two-day event.
It is NOT an overnight event.

Location:

VCOE Conference and
Educational Services Center
5100 Adolfo Road
Camarillo, CA 93012
