

# STEM MAJORS

Improve your Professional Resume This Summer

## REPICTURE STEM SUMMER RESUME-BUILDER PROGRAM

Have your summer internships or other plans been impacted by the COVID-19 pandemic? If so, you're invited to participate in the RePicture STEM Summer Resume-Builder Program.

### WHY JOIN?

- Show future employers your accomplishments this summer
- Demonstrate that you are proactive, self-motivated, and goal-oriented
- Gain valuable knowledge about career opportunities in your technical specialty
- Link to your RePicture work to showcase more of your skills and experiences than fit on a one-page resume
- Network with professionals in your field of interest
- Join a diverse, community-building program
- Win awards, including from top industry organizations

**JOIN US FOR ONE WEEK OR FOR THE WHOLE SUMMER!**

### WHAT IS REPICTURE?

RePicture.com is a virtual community where people can learn about STEM projects helping people across the world. The RePicture STEM Summer Resume-Builder Program involves researching projects in your field of interest and posting detailed write-ups about them on the RePicture website. This information will be available for the world to see and used by high school and university students nationwide to better understand STEM careers. You can also interview professionals in your field and share your story about your journey into STEM.

---

Participate in the RePicture STEM Summer Resume-Builder Program and show future employers you didn't let a pandemic derail your ambitions. **APPLY BY JUNE 26, 2020 AT [bit.ly/RPsummer2020](https://bit.ly/RPsummer2020)**

---

If you are a STEM professional who is willing to be interviewed by a student about one of your STEM projects, please volunteer at [bit.ly/volunteerSummer2020](https://bit.ly/volunteerSummer2020).
