

GIRLS MAKE TECH WITH

Use science, technology, engineering and math to care for the people you love

Saturday, March 4 2023 – 10:00 AM to 2:30 PM

Isbell Middle School, Santa Paula

Event is free of charge.

Capacity is limited.

Lunch will be provided.

Register today at

www.ieee-bv.org/stem

Girls in middle school (grades 5-8) will become scientists and engineers for a day. They can choose from workshops on chemistry, circuits, solar energy, gravity, programming, or sound; with a focus on how these technologies can be used to help their friends, families, and community.

PLEASE NOTE

- Doors open at 9:30 AM.
- Enter on Harvard Blvd. Additional parking is available on 4th Street.
- Questions? Contact stem2023@ieee-bv.org
